

## FILING OF DOCUMENTS RELATING TO THE TRANSLISTING TO MTA – ITALIAN EQUITIES MARKET

*Arzignano (VI), April 29<sup>th</sup>, 2020 - SICIT Group S.p.A. (the "Company") announces that it filed, yesterday, with the Italian Companies and Stock Exchange Commission ("CONSOB") the documentation functional to the admission to trading of the Company's ordinary shares and warrants on Mercato Telematico Azionario (MTA – Italian Equities Market), possibly STAR segment (the "Listing"), organised and managed by Borsa Italiana, as part of the administrative procedure started by CONSOB (still in progress) and relating to the application for approval of the listing prospectus. The prospectus, together with further documentation related to the resolutions approved by the Shareholders' Meeting of April 20<sup>th</sup>, 2020 was also filed with Borsa Italiana.*

It is expected that, compatibly and subject to the completion of CONSOB and Borsa Italiana's investigations, the translisting to Mercato Telematico Azionario may take place indicatively by the end of the first half of 2020.

It should be noted that as part of the above-mentioned listing project, the Company appointed Banca IMI S.p.A. as Sponsor and Specialist in accordance with the Regulations of the Markets organised and managed by Borsa Italiana to carry out the activities provided for therein.

The Company has also passed the necessary and appropriate *governance* resolutions, for which reference should be made to the press releases dated April 20<sup>th</sup> and March 26<sup>th</sup> and 16<sup>th</sup>, 2020 available on the website [www.sicitgroup.com](http://www.sicitgroup.com), "Investor Relations" Section.

### **SICIT Group**

Founded in 1960 in Chiampo (VI), **SICIT** was one of the first companies in the world to introduce protein hydrolysates of animal origin into the world market of biostimulants. The company, one of the pioneers of the circular economy, through a process of hydrolysis of residues from the tanning industry, produces a product with high added value for agriculture (biostimulants) and the plaster industry (retardants). Thanks to a qualified team, highly automated and technological production plants, state-of-the-art laboratories and constant investments in R&D, SICIT has become a reference operator at international level, supplying the main players in the agrochemical and industrial sectors.

Since May 2019 the company has been listed on the AIM Italia of Borsa Italiana
