

SICIT GROUP'S "CIRCULAR ECONOMY" REACHES THE MTA, STAR SEGMENT: FIRST DAY OF TRADING OF ORDINARY SHARES AND WARRANTS

Arzignano (VI), June 15th, 2020 - SICIT Group S.p.A. (the "Company" or "SICIT") announces that trading of the Company's ordinary shares and *warrants* (respectively, "Ordinary Shares" and "Warrants") on the Mercato Telematico Azionario ("MTA"), organized and managed by Borsa Italiana S.p.A. ("Borsa Italiana"), began today. The Company's Ordinary Shares and Warrants were simultaneously excluded from trading on the AIM Italia market.

Ordinary Shares and Warrants maintain the same ISIN code allocated at the time of admission to AIM Italia, that is, respectively, IT0005372344 and IT0005275034.

Since today, (i) the new Company's article of association, which comply with the regulations for companies with shares listed on regulated markets, available on the *website* www.sicigroup.com, "Corporate Governance / Article of Association and Share Capital" section, became effective, as well as (ii) certain amendments aimed at strengthening the Company's governance, in line with the regulations applicable to listed companies and with Borsa Italiana's Corporate Governance Code.

Banca IMI S.p.A. (Intesa Sanpaolo Group) acts as Sponsor and Specialist of the Company.

Massimo Neresini, CEO of SICIT Group, said: *"The translisting to the MTA represents an important showcase to reach a wider audience of investors and accelerate the growth and internationalization path undertaken, in a medium-long term perspective. Granting the STAR qualification by Borsa Italiana is a further recognition of the quality and the resilience of SICIT which, even in a complicated period, has never stopped, consolidating its leadership in the circular economy"*.

Moreover, today, the relevant offices of the Italian Companies and Stock Exchange Commission ("Consob") were notified of the update of the "Warrant SICIT Group S.p.A." KID, as required by current regulations.

The KID is a concise and standardized information document prepared with the aim of representing the characteristics of the product in a way that is easy to use and understand for the retail investor - in accordance with EU Regulation no. 1286/2014 on PRIIPs relating to packaged retail and insurance-based investment products - which aims to ensure comparability between the various products offered on the market and increase the degree of transparency of information regarding these instruments, thus making it easier to make informed investment decisions.

SICIT Group

Founded in 1960 in Chiampo (VI), **SICIT** was one of the first companies in the world to introduce protein hydrolysates of animal origin into the world market of biostimulants. The company, one of the pioneers of the circular economy, through a process of hydrolysis of residues from the tanning industry, creates high-added-value products for agriculture (biostimulants) and plaster industry (retardants). Thanks to a qualified team, highly automated and technological production plants, state-of-the-art laboratories and constant investments in R&D, SICIT has become a reference operator at international level, supplying the main players in the agrochemical and industrial sectors.

Since June 2020, the company has been listed on the MTA (Italian Equities Market), Star Segment, of Borsa Italiana.
